BLUECHIP FUND (SFIN – ULIF034250824BLUECHPFND111) as on 31 October 2026

INVESTMENT OBJECTIVE: Bluechip Fund would mainly invest in companies with large market capitalization segment across various sectors. The scheme will endeavor to identify companies that are relatively stable in comparison to the broader market and endeavor to select stocks based on financial strength of companies, management strategies and reputation, track record and liquidity. Blue Chip Fund will aim to provide investors with opportunities for long-term growth in capital through an active management of investments in a diversified basket of large cap equity. The fund will invest a minimum of 80% in large cap stocks. Generally, Large cap stocks are well established companies having good brand equity and are possibly market leaders in their industries.
