To ensure that your family is at all times, at the least able to maintain their current standard of living, you can choose a Sum Assured keeping in mind all their requirements. If you want to go for a Level Cover throughout the entire term of the plan, then this is just the option for you and that too at an affordable cost.

DECREASING TERM ASSURANCE (LOAN PROTECTION)

At some time or the other, you may feel the need to take a loan to meet your requirements like buying a dream house or purchasing a car.

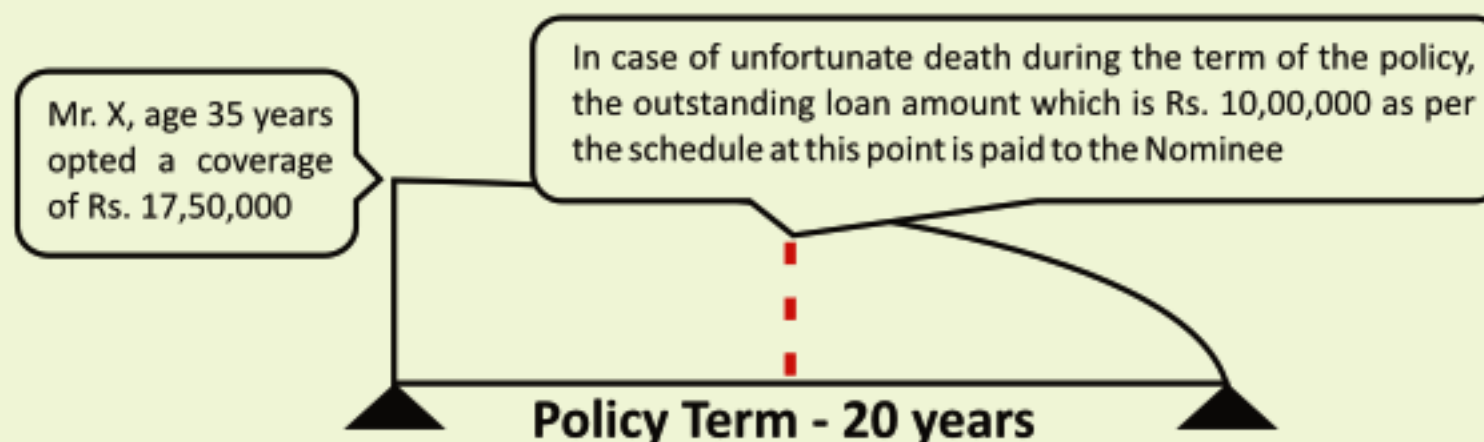

This option is available only if you have taken a loan.

While, taking the loan you always want to be sure that the loan amount is paid-off as per the schedule and this option helps you to cover the outstanding loan amount and ensures that in case of any unfortunate event, these liabilities do not affect your family.

The schedule will be based on the interest rate of your loan repayment and the available interest rates for loan repayment schedule are 6%, 8%, 10%, 12%, 14%, 16%, 18% and 20%. For example, if you have taken a loan at 8.25% rate of interest then you can choose either 8% or 10% as your rate of interest for preparation of schedule.

If the loan amount is not in the multiple of Rs. 50,000, then you can choose the Sum Assured, nearest to the loan amount in the multiple of Rs. 50,000. For example, if your loan amount is Rs. 17,75,000 then you can choose either Rs. 17,50,000 or Rs. 18,00,000 as per your choice.

In case of an unfortuna event, the Sum Assured will be equivalent to the outstanding loan amount, which will be stated in the schedule of benefits, prepared at the time of commencement of the cover.

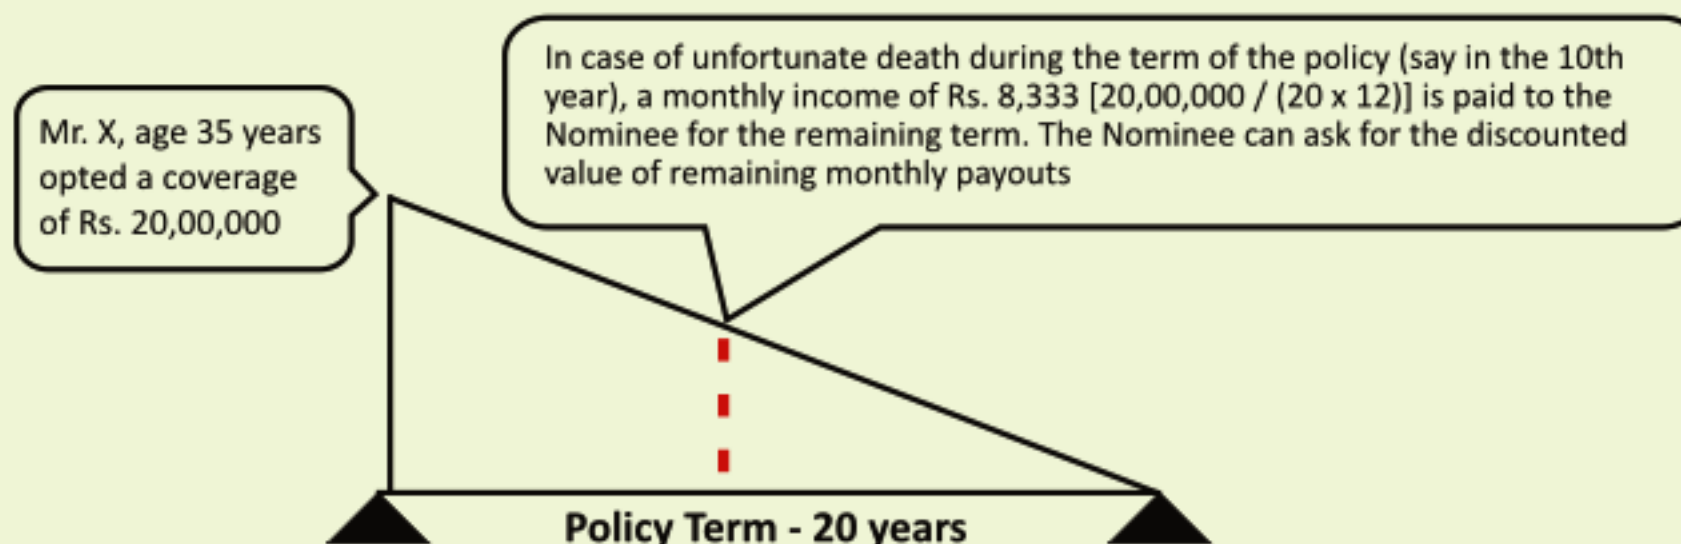

This option is designed to help your family repay the outstanding loan and keep enjoying the assets you so lovingly acquired for them!

DECREASING TERM ASSURANCE (FAMILY INCOME PROTECTION)

If you want to secure a regular, stable monthly income for your family, this option just suits you perfectly.

Under Family Income Protection plan option, the Sum Assured you have chosen will be divided by total term (in months) that you have chosen and the resultant amount will be paid to your family for the remaining Policy Months after death as a monthly income. Moreover, your Nominee can ask for the discounted value of the remaining monthly payouts.
