### SLA & Penalty Terms

The success of service level agreements depends fundamentally on the ability to measure performance comprehensively and accurately so that credible and reliable information on the service provided can be made available to customer and support areas.

Service factors must be meaningful, measurable and monitored constantly. Actual levels of service are to be compared with agreed target levels on a regular basis by SBI Life - IT.

Service level monitoring will be performed by SBI Life-IT on a daily basis and reports produced and reviewed on a monthly basis.

- The Penalty will be imposed in case of noncompliance to the SLA against each service type.
- SLA / Penalty will be discussed and calculate in monthly review meeting and calculation will be finalize on quarterly base invoice with summary of three months SLA.
- SLA will be measured for each service type independently and accordingly penalties will be imposed as defined however overall penalty is capped to 10% of quarterly invoice.

- Any violation mentioned response and resolution time will be counted on default on SLA. All the defaults at month end will then be calculated to arrive at applicable proportionate penalty, on breaching agreed up-time by VENDOR.
- SBI Life will levy penalty on default in percentage proportionate to arrive at penalty amount not exceeding maximum of 10 % of quarterly payable fees and maximum tolerance to permissible breach is 05% of mutually agreed grace default for one month.
- In event of permissible breach occurrence for consecutive 3 months may call for management review by SBI Life (AVP and above) and VENDOR (Country head or vertical head) for review and commitment for service improvement within next 30 days otherwise contract may be cancelled and PBG will be in-cashed.
- Penalties for each Scope of work to be calculated on the basis of SLA/ TAT/ Response/ Resolution/ Head count mentioned in that RFP and same will be calculated basis on each service.
- Bidders Back office team of experts will be supporting the on-site resource all time & if Severity I problem occurs & the problem not resolved within 30 min then bidders back office expert should visit the site within 2 hours.
