## Prohibition of Rebates: Section 41 of the Insurance Act, 1938, as amended from time to time

No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take out or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of the insurer.

## Non-Disclosures: Extract of Section 45 of Insurance Act, 1938, as amended from time to time:

- a) No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy. A policy of life insurance may be called in question at any time within three years from the date of the policy, on the ground of fraud or on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued. The insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured, the grounds and materials on which such decision is based.
- b) No insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the mis-statement or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intention to suppress the fact or that such mis-statement or suppression are within the knowledge of the insurer. In case of fraud, the onus of disproving lies upon the beneficiaries, in case the policyholder is not alive.
- c) In case of repudiation of the policy on the ground of misstatement or suppression of a material fact, and not on the grounds of fraud, the premiums collected on the policy till the date of repudiation shall be paid.
- d) Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.

For complete details of the section and the definition of 'date of policy', please refer Section 45 of the Insurance Act, 1938.
