

Clarification to Pre-Bid Queries raised on 18-12-2023

OEM/SI Partner eligibility criteria:

It is desirable that only OEM will participate in the SBIL bidding process.

If in a special case an OEM participates through an SI Partner the OEM should ensure that they are represented only through a single SI Partner else the OEM product would be disqualified.

Both OEM & SI Partners would require to fulfil the eligibility criteria mentioned in the RFP.

Modification made in Annexures:

Annexure IX Due diligence checklist is added to the RFP document

Annexure – I - Technical Proposal Format changes has been updated (RFP Questionnaire & Due diligence check list) to the RFP document

Annexure VI-F-Third Party Security Control Checklist

Annexure VI-E- Compliance Statement

Dates for RFP Technical & Commercial submission:
