Non-linked Non-Participating General Annuity Group Product

SBI Life Insurance introduces "SBI Life -Swarna Jeevan Plus" Plan for Corporate Clients (ie. Employer- Employee groups), who wish to purchase annuity to provide for their annuity liability (existing or emerging or both) totally/partially from SBI Life. Buyout of pension liabilities is a way by which the Master Policyholder transfers the liability of a defined pension scheme completely to SBI Life Insurance Company.

The option, once exercised under any policy, [that is, the type of annuity once chosen], shall be irrevocable and cannot be changed subsequently subject to the free look provisions.
- Proportional annuity amount would be payable for the period between the date of last annuity paid and the date of death. If the date of death is on the due date of the annuity installment, then due annuity installment amount would be paid.
- The Annuitant shall be required to submit an existence certificate periodically as per the annuity option chosen/ the Company policy. In case the existence certificate is not received the annuity payout shall cease. The annuity payouts shall however resume on receipt of the existence certificate and all the arrears (without any interest accumulation) will be paid out. Similarly, in case of unfortunate death of the annuitant/s, the death intimation needs to be conveyed well in time. Annuity installment/s that have fallen due and paid/collected after the date of death will be recovered immediately.
- The frequency of submission of the Existence Certificate would be as mentioned in the Member policy/ annuity certificate and we may review the frequency of submission of the Existence Certificate from time to time and any change in the same will be informed to the annuitant. However, the periodicity cannot be less than annual.
- SBI Life's liability is limited to the annuity payout for which the Purchase price has been received and annuity rates are not guaranteed for new members/transactions.
- Annuity rates are not guaranteed for the subsequent purchase of additional annuity for existing annuitants. The additional annuity payment will be based on the annuity rates subsequently available at the time of purchase of additional annuity
