Reversionary and Interim Reversionary Bonus Rates are a percentage of Sum Assured.

The above reversionary bonus rates will continue as interim bonus rate for policies resulting into claims by death or maturity or surrender till next bonus declaration.

Terminal Bonus is a percentage of the total amount of vested bonuses including Simple Reversionary, Interim Reversionary and Special bonuses, if any.

The above terminal bonus rates are applicable to policies maturing / surrendering / exiting by death claims, provided:

- a. The policy is in-force and has completed a minimum period of 15 years as on the date of surrender
- b. The policy is in-force and has completed a minimum period of 15 years or the minimum policy term allowed under that product, whichever is lower, as on the date of death

In respect of products where the terminal bonus has not been declared, a terminal Bonus of 15% would be payable in case of death/surrender, subject to the above conditions.
